

Seeking customized DocuSign training resources?

DocuSign University's Custom Video Service provides your organization with training resources tailored to your specific DocuSign usage. Work with DSU's team of instructional designers and video production specialists to develop professional training videos that accurately depict your brand, account settings, documents, and workflow. Custom videos are an invaluable tool to reduce training demands for your employees, ease rollout remotely, and provide your end-user signers with a customized tutorial to increase their level of comfort with eSignature.

Custom video product includes:

- Three calls with DSU team members
- Customized video script
- Customized ~ 3 minute video

More information and examples:

docusign.com/support/docusign-university

Cost:

- \$4,500 per video (restriction apply)

For purchase, questions, or sample videos:

docusignuniversity@docusign.com

Video Topic Options:

- DocuSign Tour
- Sending
- Signing
- Integration Walkthrough
- And Many More!

“The signing video has been an amazing resource for our team... Whenever we get inquiries about DocuSign and its features, we send the video along as a visual source of information.”
