THE HISTORY OF
E-SIGN LEGISLATION

June 30, 2000

President Bill Clinton signed the E-SIGN Act electronically. With the passage of this bill, electronic signatures and online contracts gained legal acceptance.

BIRTH OF DOCUSSIGN

2003

Tom Gonser founded DocuSign in 2003. The philosophy behind DocuSign was to create a simple e-signature process that did not require software or digital certificates.

NATIONAL ESIGN DAY

June 30, 2010

In honor of the 10th Anniversary of ESIGN, DocuSign hosted the 2010 ESIGN Summit in San Francisco with a live keynote address by President Bill Clinton (via satellite) and presentations from industry visionaries.
